

## **WOW! DUAL ACTION SCRUB & BUFF MICROFIBER**

WOW! Dual Action Scrub & Buff Microfiber is a microfiber with dual-sided textures designed for versatility: the transparent scrub side scrubs while still being safe on all delicate surfaces, and the short terry weave absorbs and wipes away. The transparent scrub texture easily breaks up dirt, grease, grime, food and scum from all surfaces. The flip side is a soft microfiber with a silky-smooth surface to be used for buffing, polishing and any general cleaning. Wet or dry, with or without chemicals, these dual action microfibers work the same as the first time, even after being thrown in the washer to launder.

### **Features and Benefits:**

- Two-sided microfiber allows for scrubbing and buffing with the same cloth
- Thoroughly removes dust, allergens, and bacteria.
- Proven to wipe surfaces up to 99% bacteria-free
- Multifunctional: use wet for thorough cleaning jobs or dry to polish and dust
- Reusable and machine washable

### **Ideal for use:**

- Professional/Commercial Cleaning
- Industrial and Manufacturing Facilities
- Marine/Boats
- Work Sites
- RVs
- Automotive Repair Shops
- Garage
- Construction sites

### **How to Care For Microfiber:**

Wash separately with other microfibers. Machine wash with warm water (**not hot**) and detergent. Air or tumble dry low. Do not use bleach or fabric softener.
